Experience

Trainee at Coding Academy by Orange

I have completed a 6-month Full Stack web development bootcamp, which is structured into two main segments: frontend and backend development. During this phase, we employed active learning methods and focused on honing our skills Web Development. Furthermore, I played pivotal roles in project management by assuming the position of a Scrum Master and a Product Owner in some projects

Technical skills

Frontend : HTML, CSS, Bootstrap, Javascript, React

Backend : PHP, Laravel, SQL, MYSQL, C++

Developoer tools : VS code, Visual Studio, Git, Github

Basic knowledge of Data Structures and algorithms

Soft skills

Problem Sloving

Time Sanagement

Teamwork

Self-Learner
